FOR IMMEDIATE RELEASE

HOPEWELL FEDERAL CREDIT UNION HELPS MEMBERS PREPARE FOR THE HOLIDAY SEASON

HEATH / NEWARK, OH – September 19, 2011—With the holiday season fast approaching, Hopewell Federal Credit Union (HFCU) announced the release date of its *HOpewell HOliday Club* account funds availability date. This year balances will be available to members who participated in this special club account on October 17th, 2011.

This announcement arrives at the perfect time with the Christmas holiday less than 100 days away. For those who started a *HOpewell HOliday Club* account, they are ready to start their holiday shopping! The account allows members to deposit as much or as little throughout the year and does not allow them to withdrawal from the account like a Santa Claus watchdog for their holiday season needs. Accounts can be opened with as little as \$25 and begin earning dividends with \$50.

A Hopewell Federal Credit Union Christmas Club account eliminates the financial stress of the season. Instead of charging everything at the last minute, it allows members to save in advance for holiday spending. Instead of guessing what to save, determine what was spent last year and add a portion of that to this special style account each month. Another option that HFCU extends to its members is to have an amount deducted directly each month. Hopewell feels that accounts of this kind benefit members and assist them in getting ahead financially.
